Total file size: 753,157 records Cost per `000:

a) Single use: U\$\$ 200.00b) Annual use: U\$\$250.00

#### **Background**

The MSLA Companies Mailing List is a unique B2B database that supplies the most up to date verified information for your postal, or telemarketing campaign. The MSLA Companies Mailing List is unique as every record is delivered with the postal address, and phone number enhancing your ability to reach your target market via a multi-channel or individual marketing campaign. Our data centre makes 1.2 million phone calls annually as part of the data verification process. The MSLA Companies Mailing List has what you are looking for and will deliver the results you are seeking.

The MSLA Companies Mailing List is ideal for promoting all types of products and services for industrial, financial, retail, academic and all types of economic activities.
