Background

The MSLA Companies Mailing List is a unique B2B database that supplies the most up to date verified information for your postal, or telemarketing campaign. The MSLA Companies Mailing List is unique as every record is delivered with the postal address, and phone number enhancing your ability to reach your target market via a multi-channel or individual marketing campaign. Our data centre makes 1.2 million phone calls annually as part of the data verification process. The MSLA Companies Mailing List has what you are looking for and will deliver the results you are seeking.

This is a file rich with companies eager to receive business offers and premiums on the products you offer in Puerto Rico. Locate company data and identify critical B2B contact data, which can enhance your contact, client and prospect lists, build loyalty, and brand name awareness. US Marketers rarely target this hard-to-find list.
