Background

The MSLA Food & Beverage Mailing List is a unique B2B database that supplies the most up to date verified information for your postal, telemarketing and emailing campaign. The MSLA Food & Beverage Mailing List is unique as every record is delivered with the postal address, phone number and email enhancing your ability to reach your target market via a multi-channel or individual marketing campaign. Our partnership with the B2B Data Partners in Brazil has provided us with the most powerful tools and innovations in the field of data research and solutions. Their research and call centre makes 1.2 million phone calls per month as part of the data verification process. The MSLA Food & Beverage Mailing List has what you are looking for and will deliver the results you are seeking.

The MSLA Food & Beverage Mailing List is ideal for promoting all types of products and services for food activities including kitchen aids and supplies, plastic products, cooking industrial machinery, etc.

According to IBGE (Official Statistics Institute in Brazil), the food market is growing in a sustainable manner. Last year, 71,545 gastronomic establishments were opened in Brazil. The Brazilian market represents an average of 746 thousand food establishments: 224,657 restaurants, 410,042 bars, 103,526 snack bars and 7,909 canteens.
